Assignment #2 due September 11, 2007

The purpose of this assignment is to familiarize you with the use of tables in.

You will develop an xhtml document which will represent a web page that mimics the following layout:

My favorite candy

This is Great!!!

Chicken BLT Sandwiches

- 2                   teaspoons vegetable oil
- 4 boneless skinless chicken breast halves (1 1/4 pounds)
- 1/4                cup Thousand Island dressing
- 4                   whole wheat sandwich buns, split
- 4                   lettuce leaves
- 8                   slices tomato
- 4                   slices bacon, cooked, drained and broken in half

1. Heat oil in 10-inch skillet over medium-high heat. Cook chicken in oil 15 to 20 minutes, turning once, until juice is no longer pink when centers of thickest pieces are cut.
2.                   Spread dressing on cut sides of buns. Layer chicken, lettuce, tomato and bacon on bottoms of buns. Top with tops of buns.

Try to recreate the above layout as closely as you can.
