Questions and Evaluations

Program Evaluation Workshop Worksheet

Instructions: Identify one NTF/NONPF/NLN criteria from each of the following documents (hint: pick something that aligns with **one** of the courses you teach).

Criteria for Evaluation of NP Programs

<http://c.ymcdn.com/sites/www.nonpf.org/resource/resmgr/Docs/EvalCriteria2016Final.pdf>

Nurse Practitioner Core Competencies with Curriculum Content

<http://c.ymcdn.com/sites/nonpf.site-ym.com/resource/resmgr/Competencies/NPCoreCompsContentFinalNov20.pdf>

Population Focused NP Competencies

<http://c.ymcdn.com/sites/www.nonpf.org/resource/resmgr/Competencies/CompilationPopFocusComps2013.pdf>

NLN Competencies for the Academic Nurse Educator

<http://www.nln.org/professional-development-programs/competencies-for-nursing-education/nurse-educator-core-competency>

List the criteria (e.g. NONPF Competency Area –Scientific Foundations #2)

Question 1: How do the above criteria/competencies best align(s) with your course?

Question 2: Provide an example(s) of way(s) in which your course meets the criteria/competency you selected (i.e. content, assignment, activity).

Question 3: How would you describe the link between your course and other specific course(s) in the curriculum to further exemplify this alignment?
